ANNUAL REPORT
FOR FISCAL YEAR ENDING DECEMBER 31, 2008

Enhancing HEALTHCARE SERVICES IN OUR COMMUNITY

It is a pleasure to share with you the Rice Health Foundation 2008 Annual Report. Your gifts have a major impact on the programs and services at Rice, and ultimately enhance the health of our communities. Through these pages you will see many examples of how your gifts help.

Time does fly by! I'm now beginning my eighth year on the Rice Health Foundation Board of Directors and I must say it has been a fine—a very fine—experience.

Over these years the board members have seen the Foundation mature, grow in philosophy, purpose, energy, as well as financially. Our members are electric—full of energy and enthusiasm, good ideas, intensity, humor.

The money we send out in grants goes to Rice Memorial Hospital capital projects, community programs, and, services and programs within the hospital. Many of these programs need outside funding from sources such as our Foundation to get started, or to maintain a necessary service. The tight financial times and difficult reimbursement issues make our job and service all the more significant.

We have a loyal, wonderful and increasing group of donors. Without you, we could not function. But with the help you are providing, our funding assistance to services for children, the elderly, the needy, people with special problems, is happening and *is most gratifying*.

Thank you, and thank you again. We have a wonderful mission and TOGETHER, we're getting a lot done. Join us, stay with us, give us ideas. We will listen!!

Reaching out. Lending a hand.

Thank you for sharing your gifts

Your support advances technology and provides patient education, as well as offering comfortable surroundings for patients and their families. Philanthropy provides the margin of excellence in healthcare that area residents have come to expect from Rice Memorial Hospital. As we face the financial challenges of the future, your generosity will enhance the delivery of healthcare services and the overall health of our community.

You are making a difference in the lives of others.

Give online, by telephone, or through the mail

Rice Health Foundation makes online giving easy. Go to www.ricehealthfoundation.org and click Donate Now! Choose your amount, which fund you would like to support, and get instant confirmation from our secure online credit card processor. You also have the option to make your gift in honor or memory of someone.

The following types of gifts are welcome: Cash, Securities, Life Insurance, Retirement Plan Assets, Charitable Gift Annuities ... and much more.

There are many choices in making your charitable gifts to support the healthcare mission of Rice. For information

about what type of gift will work best for you, call Rice Health Foundation at 320.231.4141. We are happy to speak with you and your financial advisors to help examine your particular situation.

Recognizing your gifts

It is very important to us to recognize your generosity. The "Tradition of Caring" Recognition Wall is located in the Garden Court and is one of the ways to publicly say thank you. In this display, there are opportunities for individuals and organizations to be honored in the following ways:

Tradition of Caring—Gifts totaling \$5,000 or more during a lifetime are honored here.

Making a Difference—Annual gifts totaling \$500 or more are honored here.

Members of the above Giving clubs are invited to Rice Health Foundation's annual Donor Recognition Event, as well as other special events that may be offered.

Thoughtful Giving—This display lists the people who have been remembered with tribute gifts totaling \$500 or more in the previous year.

Yes! I wish to further Rice Hospital's proud Tradition of Caring

What is your LEGACY?

We hope that you will tell us when you have included Rice in your estate plan. We would very much like the opportunity to thank you for your generosity. Letting us know of your intentions does not create any obligation on your part. And, recognition of your gift may well inspire others.

Membership in the Rice Visionary Society is open to any individual or couple who has made provisions for Rice through their estate plan. Benefits include invitations to Foundation recognition events. Rice Health Foundation will also list the Visionary Society members in a special section of the Donor Recognition Wall and in the Foundation's Annual Report, if printed recognition is so desired by the donor.

When your estate gift is added to an existing endowment or creates a new endowment, it truly is a lasting legacy. To establish a gift that benefits the work of Rice Memorial Hospital far into the future, ask your legal or financial advisor to name the Rice Health Foundation as a beneficiary of your will, insurance policy, retirement plan or other asset. If you, or your professional advisors, have any questions or require assistance, please call 320.231.4141.

*"In the tradition of the original Rice family,
we wanted to give something back"*

Rice Memorial Hospital touches the lives of so many people in West Central Minnesota and its future is of tremendous importance to the region. The Rice Health Foundation will be increasingly important in supporting the future success of the hospital and promoting health in the region.

With the prospects for healthcare reform and significant change to healthcare delivery on the horizon, the Foundation is well positioned to serve both the hospital and the community in this new, challenging environment.

Paulette and I both benefitted greatly from our association with Rice and all of the great people who embody the Rice family. In the tradition of the original Rice family, we wanted to give something back that would provide ongoing support for Rice's mission long after we were gone.

— Lawrence Massa, CEO of Rice Memorial Hospital from 1994 to 2008

Saving Time & Saving Lives 2008 HOLIDAY FESTIVAL

With the help of many, many wonderful volunteers, and generous businesses and individuals, Rice Health Foundation's 2008 Holiday Festival was a tremendous success. The community came out in strong support to help generate nearly \$74,000 in net proceeds to Save Time & Save Lives in Willmar and Kandiyohi.

The proceeds from the 2008 event is being used to enhance ambulance services in six communities, allowing remote EKGs to be sent to the hospital for heart attack victims. In treating heart attacks, every second counts and this new technology will save time and ultimately, save lives. Additional funds raised during the live auction will also be used to place more Automated External Defibrillators, known as AEDs, in the community.

The Holiday Inn Conference Center was transformed into a Black & White Ball for the two-day event. The Gala Dinner & Auction took place on Friday evening, November 14, 2008. On Saturday, November 15, guests could look at beautiful table settings, shop at a variety of business vendor booths, listen to wonderful musical entertainment, and enjoy a special holiday luncheon. See more photos at www.ricehealthfoundation.org.

EMPLOYEE CAMPAIGN CARING FOR KIDS

Rice Memorial Hospital 2008 Employee Campaign

The 2008 “Caring for Kids” Employee Campaign was an outstanding success. Employees gave a total of \$37,500 to the Caring for Children Endowment and other endowments and funds.

Rice Employees aren’t just dedicated to the work that they do, they go that extra mile by supporting the work that the Foundation is doing to enhance healthcare. They are investing in healthcare and making all things possible.

The Rice Health Foundation Board of Directors, the Employee Campaign Committee, and the Foundation Staff would like to extend their sincere thanks to the Rice Family of Employees that made a gift or pledge.

You Make a Difference!

ENDOWMENT SPOTLIGHT MAKING AN IMPACT

Rice Rehabilitation Center ImPACT Program

A grant from the Rice Health Foundation Endowment Fund provides several school sports programs in our community with a useful concussion management tool through the ImPACT Program. It’s used to determine when it’s safe for a student athlete to return to sports following a concussion. A cognitive test is given to students using a unique software program in order to establish a baseline reference prior to sports activity.

“Endowment grants are important to the hospital because very specialized programming becomes available if we have additional dollars. We can offer more services that enhance community care,” says Lynn Stier, Director of Rice Rehabilitation Center. “And as a parent, this program is important to me to make sure that my child’s brain stays healthy. If you injure your ankle, you rest it. If you injure your brain, it needs to rest, too. You need your brain for the rest of your life—that’s why it’s important to know when it’s safe for our kids to return to play.”

RICE PROGRAM FOCUS THE CIRCLE OF LIFE

Rice Hospice 2008 Circle of Life Citation of Honor

Rice Hospice was named a 2008 American Hospital Association Circle of Life Award® honoree. They were recognized for their innovative program that improves the care of patients near the end of life or with life-threatening conditions.

The Circle of Life Award celebrates programs across the nation that have made great strides in palliative and end-of-life care.

Rice Hospice has provided hospice services throughout a 14-county region for more than 25 years. They use a successful outreach program based on partnerships with area communities and their critical access hospitals.

Rice Hospice has become an award winning program due in part to the generous gifts in support of their services that have allowed a dedicated staff and network of volunteers to bring comfort to more than 6,000 patients in their homes and communities.

Improving THE HEALTH AND WELL-BEING OF O

IN FISCAL YEAR 2008, MORE THAN \$179,363 WAS AWARDED TO RICE MEMORIAL HOSPITAL PROGRAMS AND TO THE COMMUNITY RICE SERVES THROUGH GRANTS MADE POSSIBLE BY THE GENEROSITY OF OUR FRIENDS AND NEIGHBORS.
