*Gifts from
the Heart*

I am beginning to learn

THAT IT IS THE SWEET, SIMPLE THINGS OF LIFE
WHICH ARE THE REAL ONES AFTER ALL.

- LAURA INGALLS WILDER

It's a joy to give and a joy to receive.

It all began with a gift.

Rice Memorial Hospital was built through the gift of a trust to the city of Willmar from Colonel Cushman Rice in memory of his parents, Lieutenant Governor and Mrs. Albert Rice. Rice Health Foundation carries on the tradition of caring by using your gifts to enhance health and wellness care in the community.

Rice Health Foundation is a non-profit charitable organization dedicated to addressing community health needs as well as enhancing patient care and health education. In raising philanthropic support for the Rice organization, the Foundation ensures advanced medical care, excellent patient care, improved community wellness, and that extra touch.

Through your gifts, the Foundation supports programs for children and adults—from newborns to the most senior members of our community. Wellness care impacts everyone in our community. Chances are good that gifts made to the Foundation have already funded something close to your heart.

What makes you smile?

Is it that little something extra that you can really live without, but it sure makes life more comfortable, or maybe just plain fun? That's what it's like for the residents of Rice Care Center, too.

All of their basic needs are met, but anything above and beyond is made possible only through investments and donations.

That little extra touch happens through donations from family, friends and community members who want to make life easier and more enjoyable for all who live here. People just like you. Those little extras like a hair-salon sink and a patio swing that can accommodate a wheelchair, or, a wii that keeps the bowling team together. 😊

How to make a difference

Gifts of all sizes make a difference to the residents at Rice Care Center.

Direct Gifts make an immediate impact. Many people find these the most convenient ways to impact wellness care. Direct Gifts include:

- Cash and/or Stocks
- Personal Property and/or Real Estate
- Matching Gifts from Employers

Planned Gifts allow you to make an even bigger impact. They can be an important part of your estate planning, benefitting your family and Rice Care Center, while providing significant tax savings. Planned gifts are recognized in the Rice Visionary Society as we are made aware of them. Your financial advisor can help determine which Planned Gift type is right for you:

- Bequests in your will
- Gifts of Life Insurance
- Charitable Gift Annuities
- Life Estate Arrangements

Tribute Gifts can be given in memory of a loved one or in honor of a special person or occasion. They can also be made in appreciation of a caring staff person.

You can provide that little something extra by making a donation to the Rice Care Center Extra Touch Fund.

And feel the joy.
